

MAKING IT HOT FOR WILDCATERS.

Saturday, Feb. 25, Federal prohibition officer H. J. Lynch, and Sam Whitaker raided a wild-cat distillery den on Blackburns Fork near Cummin's Falls, in the 10th district of this county, and destroyed two stills, 10 gallons of moonshine and 4000 gallons of beer. The stills were of 30 and 40 gallon capacity and were in operation.

The outfit was located on a steep cliff about 300 feet high, and the officers in making their way to the place, had to cross a bottom field, which put them in plain view of the operators. The operators, three in number, saw the officers as they started to cross the bottom and made their escape up a path that lead to the top of the bluff. Several shots were fired by the officers as the men fled, but all went wild. A hat belonging to one of the men was picked up a short distance from the still.

Fashion Show Draws Big Crowd of Ladies.

The style show staged for Quarles & Reeves Co., Wednesday, by their designer, Miss Vanderever and Miss Sadler, was the most successful display ever put on in this section.

The store was beautifully decorated with ferns, and the wonderful collections of hats, wraps, suits, dresses, skirts, and other articles of wearing apparel, which had been gathered together by the buyers of this enterprising firm, were gracefully modeled by Misses Doris Haile, Reba Smith, Bonnie Shoulders, Nannie Vanhooser, Dorothy Anderson, Hallie Reeves, Leona Roberts, and Mrs. W. B. Wooten.

A delightful musical program was rendered by the High School orchestra, under the competent direction of Miss Bolen. Although there was a down pour of rain the store was packed both afternoon and evening. Taken altogether, this was one of the most enjoyable treats the town has had for a long time, and it is to be congratulated on having two such artists as Miss Vanderever and Miss Bolen.

A Beautiful Life Called To Heaven.

Lillian, age 12, the only daughter of Mr. and Mrs. Tom Mabry, died at her home here Wednesday afternoon about 1 o'clock. Her death was attributed to a leaky heart, from which, she had been a sufferer for several years.

A brief, but impressive funeral service was held at the home Thursday afternoon, conducted by Rev. K. A. Early. A number of relatives and friends of the sorrowing family were present, and as they looked upon the placid little form in the casket, their hearts swelled with sympathy for the bereaved family. She was an exceptionally bright little girl, and although afflicted as she was, she always wore a smile and that, together with her sweet disposition, made her a lovable little daughter.

The remains were conveyed to the old Richmond cemetery for interment, Thursday afternoon.

This beautiful little life was so precious, so fraught with blessing to her parents, that she seemed a flower of paradise permitted to bloom for a brief season by their side, then recalled to its native skies, leaving the earth road for them dark and lonely. But let us not think of little Lillian as dead, but as living, not as a flower that has withered, but as one that transplanted, and touched by a Divine hand, is blooming in richer color and sweeter fragrance than those on earth.

Besides her parents, she leaves two little brothers and a host of relatives.

THE MAN WHO LOOKS VIGOROUS.

Good Red Blood is the Only Sure Foundation of Permanent Health and Vigor.

Good color, bright eyes, solid flesh, erect bearing are dependent upon rich red blood. If your blood is not up to the mark your general health can not be. Late hours, eating the wrong foods, working indoors, fatigue, effect the the blood. So many people

eat well and take exercise, yet never seem to improve in health. Gude's Pepto-Mangan taken regularly for a while gives the blood that richness and redness that produces bounding health and vigor. It is simple, natural way to get well and strong. Gude's Pepto-Mangan comes in liquid or tablets—at your drug-gist's. Advertisement.
